Lead Program

www.agentinsider.com

AgentInsider® Offers the Most Flexibility

InsWeb® has been in the online insurance business since 1995, and is visited by millions of consumers each year looking for insurance quotes from top companies like yours. With InsWeb's AgentInsider® Lead Program, you'll have access to these "hot" leads.

The Lead Program by AgentInsider® is not like other lead programs. We've listened to the unique needs of local and regional agents and have developed a program that provides you with many great advantages:

SPECIAL PRICING

You have **pre-negotiated lead pricing** and have priority over most other AgentInsider® participants, helping you receive more leads in highly competitive ZIP Codes.

TERRITORY SELECTION & CONTROL

You can't be locked out of a ZIP Code. Simply select your desired ZIP Codes and set your lead maximum. It's that simple. And you can change your targeted geography at any time without consequence.

LEAD VOLUME CONTROL

You select the quantity of leads you want to receive each day. **Slow down or speed up your lead flow at any time**, as many times as you like. There is no penalty for pausing or changing your account.

REAL-TIME LEAD DELIVERY

Immediately after the consumer completes the InsWeb® online quote form, **the lead is delivered to you via email.** At the same time, your information is displayed to the consumer, who may choose to contact you directly.

QUALIFIED LEADS AND MOTIVATED CUSTOMERS

Consumers come to InsWeb.com on their own to request insurance quotes. They are motivated and committed to finding a new policy, and have voluntarily completed our in-depth online quote form.

LIMITED LEAD DISTRIBUTION

The distribution of leads is always limited and will never be sold to multiple agents within the same affiliate company. If you act quickly after receiving the lead, you have a great chance of closing the sale.

NO MEMBERSHIP FEES

Unlike many other lead generation programs, there are no monthly or yearly membership fees.

BEST-IN-CLASS CLIENT SERVICES TEAM

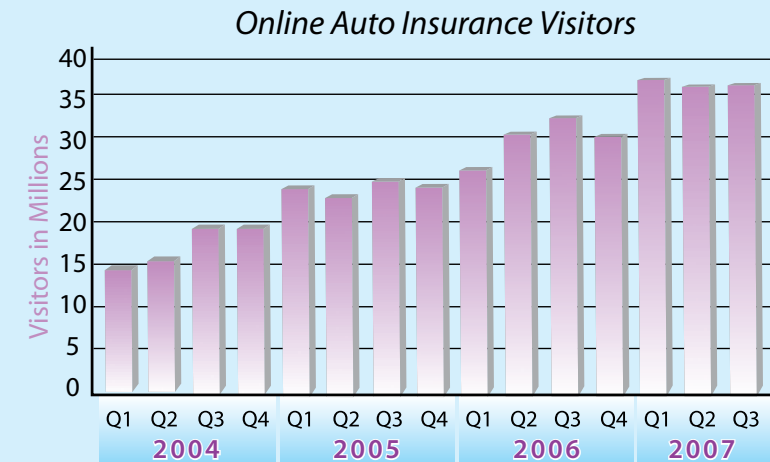

Question, concerns, advice...? Our Client Services Team is here to assist you. Representatives are available Monday through Friday from 8am to 5pm PT.
